

# Coldwater Morning

Neil Diamond

One, knowing I'm one, hearing of two  
And like a child believing dreams  
Always a dream to take you home  
Day, after the day, there comes the night

There comes the knowing when you laugh  
If you should laugh,  
The night alone will hear  
And the night don't care

Coldwater morning  
Take off your nighttime shoes  
Coldwater morning  
I've been waiting so long for you

One, knowing I'm one, hearing of two  
Hearing of things that I once had  
That you once had  
And when the night would come

We'd sleep like one  
Coldwater morning  
Take off your nighttime shoes  
Coldwater morning

I've been waiting so long for you  
I've been waiting so long for you...
