How Can You Mend a Broken Heart

Ruben Studdard

I can think of younger days when living for my life
Was everything a man could want to do
I could never see tomorrow
I was never told about the sorrowAnd how can you mend a broken heart?
How can you stop the rain from falling down?
Tell me how can you stop the sun from shining
What makes the world go round?Oh, how can you mend this broken man?
How can a loser ever win?
Please help me mend my broken heart
And let me live againI can still feel the breeze that rustles through the trees
And misty memories of days gone by
We could never see tomorrow
No one said a word about the sorrowHow can you mend a broken heart?
How can you stop the rain from falling down?
Please tell me how can you stop, stop the sun from shining?
What makes the world go round?Oh la la la la la, la la la la
Oh, how can a loser ever win?
Please help me mend, mend my broken heart
And let me live againListen babyHow can you mend a broken heart?
How can you stop the rain from falling down?
Won't you please help me mend my broken heart
And let me live againBaby, things just ain't been the same, no
Since you went away and I want to know
How can a loser ever win
