

Under The Lighthouse

Big Wreck

Down here under the lighthouse
Upstairs, I see for miles
Keep my name under the white-out
And just let me miss you all the while, yeah

Now I sit here with your letter
It's pushin' hard on my brain
You think they should shrink it, yeah
Baby, I think that's insane

I know you would've left me anyway
Well, I'll just bow my head
I swear you might've left me anyway
So I'll leave you instead, yeah

When I told you that I'm sorry
You told me that I'm full of fear
But when the music is just too loud
Well it's not your voice I hear, yeah

Well you would've left me anyway
So I'll just bow my head
I swear you might've left me anyway
So I'll leave you instead

Be alone
Let me bow my head
Cause I'd rather be alone
Be alone
Be alone
Be alone
