

George Jeff

Jaden Smith

Oh Shit, oh
Sometimes I feel like a Polaroid picture
Trapped inside space and time, take a sip of my elixir, ay
Play Electric Love while we riding in the Fisker, ay
She fell in love with me, my G, I swear I never kissed her, ay
Leave me to be free, I don't have time to be a mister, ay
Baby I'll be blunt with you, I won't be smoking swishers
I just do a couple dishes, then I wish you Merry Christmas
Adios, make that body roll, you scream: Geronimo
Blow some kisses to some mistresses, they fall like dominos
Dominos, vamonos, baby girl I gotta go
I just talked to Billboard Records, they said I'm phenomenal
I'm phenomenal, I'm phenomenal Yeah, my name is George Jefferson
The male Maleficent
You don't know who you're messing with
I ran for president
'Cause our countries in a deficit
My only testament is that we keep it so, so real
I'd kill myself to resurrect, ay
(I'd kill myself to resurrect) ay
You know she know a man
I got her number on the Gram
I would never understand
Kickin' it with Rich the Kid
I just woke up with the bands
30 something, we in France
I just woke up I'm in Cannes
Never let him have a chance
Huh, cheetah prints on the pants
Expelliarmus, Me and Harry Potter in the bizz'
Nobody look at my dad, run around skrrtin', we mad
Louis just gave me a bag, how did he end up with that?
And nobody look at my dad
Now I'm runnin' with the RAF
Living in and out of cabs (ooh)
Baby boy what's your name?
I thought you'd never ask
Well, my name is George Jefferson
The male Maleficent

You don't know who you're messing with
I ran for president
'Cause our countries in a deficit
My only testament is that we keep it so, so real
I'd kill myself to resurrect, woohKill myself to resurrect, ey
Kill myself to resurrect, ey(Jaden, mommy's on the phone for you)
(Jaden, daddy's on the phone for you)
(Let's go)Huh, Super psychedelic, sleeping is'nt new to me
I tried to sleep it off to deal with everybody scrutinies
Baby call me willy wonka on my oompa-loompacies
Man, I only whipped a Tesla but I cop the Coupe and screech (skrt)
