

# Set Me Free

## Jah Cure

This feeling won't go away  
Girl everyday you liberate me  
I call, you come you all I need  
You give me everything, I give you all of me  
Even when everyone calls you crazy  
You held my hand and tried to save me  
Thought I knew love until I met you  
I give you all of me  
Hoping this would last forever  
The world makes sense when we're together  
Somehow you saw the love inside me yeah!  
And when you found the key,  
You set me free yeah!  
Although I had a lot of girls before you yeah!  
But they never done me like you doooo! yeah!  
You came in like a lightening bolt  
I give my love to you yeah!  
Even when everyone calls me foolish  
They say, settle down, cure don't do it!  
I found myself, before I found you  
I give my love to you!  
Hoping this would last forever  
The world makes sense, when we're together!  
Somehow you saw the love inside me  
Yeah!  
And when you found the key  
You set me free yeah!  
Everybody saw the bad, you saw the good  
You saw right through my soul yeah!  
Who knows? I was difficult girl  
Your love is like a burning fire  
Burning in my soul yeah!  
Hoping this would last forever  
The world makes sense when we're together  
Somehow you saw the love inside me yeah!  
And when you found the key  
You set me free yeah!
