# The Queen Of The Night

## Whitney Houston

I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
Don't make no difference if I'm wrong or I'm right
I've got the feeling and I'm willing tonight
Well I ain't nobody's angel
What can I say, well, I'm just that way
I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah
'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
You've got a problem with the way that I am
They say I'm trouble and I don't give a damn
But when I'm bad I know I'm better
I just want to get loose, and turn it up for you
I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night

Oh yeah

'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
I've got the stuff
I've got the thing
More than enough
Drop to your knees
Stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah
'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah
'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah
'Cause I'm the queen of the night
The queen of the night
Oh yeah, oh yeah, oh yeah
