

Go All The Way

Eric Carmen

I never knew how complete love could be
Till she kissed me and said, "Baby, please go all the way
It feels so right being with you here tonight
Please go all the way, just hold me close, don't ever let me go" I couldn't say what I wanted to say till she
whispered
"I love you, so please go all the way
It feels so right being with you here tonight
Please go all the way, just hold me close, don't ever let me go" Before her love I was cruel and mean
I had a hole in the place where my heart should have been
But now I've changed and it feels so strange
I come alive when she does all those things to me And she says, come on, come on
Come on I need you, I love you, I need you
My, my, girl Please go all the way
It feels so right being with you here tonight
Please go all the way, just hold me close
Don't ever let me go, oh no Go all the way, yeah
