LIKE I WOULD

ZAYN

Hey what's up, it's been a while
Talking 'bout it's not my style
Thought I'd see what's up
While I'm lighting up
It's cold-hearted, cold-hearted
Know it's late but I'm so wired
Saw your face and got inspired
Guess you let it go, now you're good to go
It's cold-hearted, cold-hearted

Oh Oh
It's probably gonna sound wrong
Promise it won't last long
Oh Oh
If we can never go back
Thought you'd like to know that

Heeee, won't touch you like I do
Heeee, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would

Talkin' don't want me, cause I want you
Been thinkin' it over, but I'm through
So stop wasting all my time, messing with my mind
It's cold-hearted, cold-hearted

Oh Oh
It's probably gonna sound wrong
Promise it won't last long
Oh Oh
If we can never go back
Thought you'd like to know that

Heeee, won't touch you like I do
Heeee, won't love you like I would
He don't know your body
He don't do you right

He won't love you like I would
Love you like I would, like I would

He can't love you like I would
He can't love you like I could
He don't know your body
He don't know your body

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would
Like I would

He can't touch you like I would
Won't touch you like I do
He can't love you like I could
Won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would
Like I would
