Have a Heart

Moist Velvet Vs. Contact Play

Hey, shut up, don't lie to me
You think I'm blind but I've got eyes to see
Hey, mister, how do you do?
Oh, pardon me, I thought I knew youWould you stand back baby
'Cause I want to get a better look
The big man who couldn't handle
The little bit of love you tookHey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart, oh ohOh darling, I love you so
I told you yes and then you told me no
Baby, how can you say
You should be free and I should pay and payAnd you talk and talk
About you and what you need
But sooner or later
Your love is gonna make me bleedHey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart, oh ohTalk on, talk on
But love is what you need
And sooner or later
That love is gonna make you bleedHey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart
But don't you run away, babyHave a heartHey hey, have a heartPleaseHey hey, have a heart
