

# Have a Heart

## Moist Velvet Vs. Contact Play

Hey, shut up, don't lie to me  
You think I'm blind but I've got eyes to see  
Hey, mister, how do you do?  
Oh, pardon me, I thought I knew you Would you stand back baby  
'Cause I want to get a better look  
The big man who couldn't handle  
The little bit of love you took Hey hey, have a heart, hey, have a heart  
If you don't love me, why don't you let me go?  
Have a heart, please, oh don't you have a heart?  
Little by little you fade while I fall apart, oh oh Oh darling, I love you so  
I told you yes and then you told me no  
Baby, how can you say  
You should be free and I should pay and pay And you talk and talk  
About you and what you need  
But sooner or later  
Your love is gonna make me bleed Hey hey, have a heart, hey, have a heart  
If you don't love me, why don't you let me go?  
Have a heart, please, oh don't you have a heart?  
Little by little you fade while I fall apart, oh oh Talk on, talk on  
But love is what you need  
And sooner or later  
That love is gonna make you bleed Hey hey, have a heart, hey, have a heart  
If you don't love me, why don't you let me go?  
Have a heart, please, oh don't you have a heart?  
Little by little you fade while I fall apart  
But don't you run away, baby Have a heart Hey hey, have a heart Please Hey hey, have a heart
