

There's No Penguins In Alaska

Chiodos

She loves me, she loves me not

My love was my decayed

She loves me, she loves me not

He repeated to himself over and over

These petals decide what's next for you and INever resting time, leads summer on, leads summer on
Never resting time, leads summer on, leads summer on

The worst was, the worst was thisMy love was my decay,
my love was

My love was my decay, my love wasFinding oneself in such murderous shame

Playing roulette with a flower

Mislead devotion into seclusionDevotion, devotion

Scream loud as you want to

Scream loud as you want to

There's no way that they can hear you

There's no way that they can hear youNever resting time, leads summer on, leads summer on

Never resting time, leads summer on, leads summer

Never resting time, leads summer on, leads summer on

Never resting time, leads summer on, leads summer onI'll stop stabbing

When you stop screaming
