

I Believe (80' s)

Da Blitz

Follow your heart babe
It's so hard sometimes to start it, again
But now it's time for us to believe in what we have
Follow your heart babe
It's so easy now to start it again
For all the times we felt so free
And for the strenght you give to me, oh.....I believe, I believe and I believe
For all the days we've been together
I believe, yeh
I believe, I believe and I believe
In this love that you bring to me
I believe.
