Sing Hello & Some More

Bernhoft

Sing hello, sing hello,
Meet your new neighbor.
sing some more, yeah, yeah, yeah. (x2)If you're the bead
in the middle now.
You sit still in the swing.
Let me tell you, town's on fire!
If you sit perched, you can't feel a thing.
You might just sense the tingle of time gone with the wind.
Don't you stuff your ears, brother.
Head up high and spread your wings wide.
Words of love must be amplified when times are low.
Let's spend some time and sing together.Sing hello, sing hello,
Meet your new neighbor.
sing some more, yeah, yeah, yeah. (x2)
Message on a pigeon's foot hanging out of a hungry mouth being eaten by someone hungrier.
Things needed saying are going south.
Now we can do better than that!
Sense it in the flesh.
Let's expose some of that, mama.
Show some skin then grab your man and dance.Take a chance and turn things up when times are rough.
Let's spend some time and sing together now.Sing hello, sing hello,
Meet your new neighbor.
sing some more, yeah, yeah, yeah. (x2)Sing hello & sing some more.
Sing hello and then some more.
Sing hello & sing some more.
Sing hello and then some more.Sing your soul out, sing it loud
In my very own textbook it might well resurrect you. Yeah yeah yeah
Sing your soul out,
Sing it loud, sing it loud, sing it loud, sing it loud,(With us now! C'mon, c'mon)(Sing hello)
Sing your soul out, sing it loud
(Sing some more)
In my very own textbook it might well resurrect you
(Yeah yeah yeah)
(x?)
