Better Be Home Soon

Crowded House

Somewhere deep inside, something's got a hold on you

And it's pushing me aside, see it stretch on forever

And I know I'm right for the first time in my life

That's why I tell you, you'd better be home soonStripping back the coats of lies and deception

Back to nothingness like a week in the desert

And I know I'm right for the first time in my life

That's why I tell you, you'd better be home soonSo don't say no, don't say nothing's wrong

'Cause when you get back home maybe I'll be gone, ohIt would cause me pain if we were to end it

But I could start again, you can depend on it

And I know I'm right for the first time in my life

That's why I tell you, you'd better be home soon

Oh, that's why I tell you, you'd better be home soon
