

# Yuh

## The Belle Game

Feel like I know yuh, Feel like I know yuh  
Teethe, let me come through, Breathe, just to feel you  
And I know, and I know that I get it from you  
And I know, and I know that I get it from you  
Feel like I know yuh, Feel like I know yuh  
And I know, and I know that I get it from you  
Push me in, push me good, I am clinging to you  
And I know, and I know that I get it from you  
Push me in, push me good, I am clinging to you  
Push me on the ceiling  
Dampen what I'm feeling  
Lead me, with possession  
Coax my numb expression  
Feed me just aggression  
Hard to tell, I'm hard to tell  
Lead me, with possession  
Coax my dead expression  
Feed me warm aggression  
Hard to tell, I'm hard to tell  
Lead me, with possession  
Coax my dead expression  
Feed me warm aggression  
Hard to tell, I'm hard to tell  
And I know, and I know that I get it from you  
And I know, and I know that I get it from you
