

Confession (What's Inside My Head)

Red

I feel fine
And I can smile
But I feel the anger coming
It's underneath
I don't know why
It's always overflowing

It's a constant fight
Deep inside
And I want to forget it

I confess
I'm always afraid
Always ashamed
Of what's inside me
I confess
I'm always afraid
Always ashamed
Of what's inside my head

And I can breathe
And I still feel
But not the way I want to
I'm on the edge
I don't know how
I can escape this nightmare

I confess
I'm always afraid
Always ashamed
Of what's inside me
I confess
I'm always afraid
Always ashamed
Of what's inside my head

Oh, I'm wasting away
It's part of my instinct
I'll run away

From everything I hate
Take this away
Help me escape
Take this away
I confess

(scream)
Innocence
Innocence
Innocence
