

# No Matter What (From "Whistle Down the Wind")

## Collabro

No matter what they tell us  
No matter what they do  
No matter what they teach us  
What we believe is true  
No matter what they call us  
However they attack  
No matter where they take us  
We'll find our rule way back  
I can't deny what i believe  
I can be what i'm not  
I know our love forever  
I know, no matter what  
If only tears were laughter  
If only night was day  
If only prayers were answered  
Then we would hear God say  
No matter what they tell you  
No matter what they do  
No matter what they teach you  
What you believe is true  
And i will keep you safe and strong  
And shelter from the storm  
No matter where it's barren  
A dream is being born  
No matter who they follow  
No matter where they lead  
(No matter where they lead)  
No matter how they judge us  
I'll be everyone you need  
No matter if the sun don't shine  
Or if the skies are blue  
(Skies are blue)  
No matter what the end is  
My life began with you  
(My life began)  
I can't deny what i believe  
(I can't be what i'm not)  
I know this love is forever  
That's all no matter what
