What You Do To Me

Keyshia Cole

I walk to the door, see your lovely face
All the things I wanna do doesn't want
Wanna race, no
Visions of you on holding me, I can't wait now
I can feel you kissing me, oh, so softly
Making love, baby, I could feel your heart beat
Oh, don't stop, baby, what you do to me?
What you do to me? Do to me, baby
Oh, what you do? What you do to me?
Do, to me, baby, do, to me
Come on, baby, I could see it in your eyes
All the love you have inside
Oh, baby, give me your love
Oh, what you do to me?
What you do to me? Come on, do to me, baby
What you do to me? Baby, what you do to me?
Do to me, baby, do to me
I don't care what they say
I'm gonna love you anyway
'Cause, boy, nobody makes me feel
Boy, I've never felt this way
All your touches, all your kisses
Boy, you know just what I'm missing
I want to stay
What you do to me? Tell me what you do? Do to me, baby
Come on, baby, and tell me what you do?
What you do to me? Oh, what you do? Do, to me, baby
Do to me
