Amelia Earhart

The Inbreds

Please don't talk about it
This isn't your department
I'd like to talk about itShe sailed away to a place where clouds can't get her
I know she's safe because she's an excellent navigatorPack your things together
We shall make a fortune
I'd like to talk about itAnd if you ever leave me
I will make sure you're captured
I'd like to talk about it
