

# Honey Hi (10/11/78 Version)

## Fleetwood Mac

Honey, honey, honey  
Who could be sweeter than you  
Honey, honey, honey  
Bitter sweet, but what can I do  
Lord, it's good to talk to you  
Even sweeter than wine  
Don't take the love light away  
'Cause I'm far away from home  
Daddy, all I'm trying to tell you  
Lord, I really love you, love you, love you  
Honey, honey, honey hi  
Honey, honey, honey hi  
Honey, honey, honey hi.
