

# Greatest Day (Curtis and Moore Mix)

## Beverley Knight

It's a good thing the air feels cool today  
And it's better that God, don't send the rain  
And it's best if heaven holds back the clouds  
'cause inside 'o' me there's fire untamed  
See everyday I find that 4 leaf clover  
And everyday Lady Luck is at my door  
And all of the fear I fight is in remission  
To come around no more  
And I'm feeling good, never better  
In fact it's the greatest day of my life  
And I'm feeling good, never better  
In fact it's the greatest day of my life  
It's a good thing your heater broke down today  
And it's better you keep them drinks on ice  
And it's best if you got them chills down in your soul  
'cause the heat inside 'o' me will surely suffice  
And none of the world's restraints could ever hold me  
and none of the superficial could tie me down  
and none of the pain I felt was enough to break me  
See my face was never made to fear [Chorus]  
And I'm feeling... (Good)  
Could you qualify that? (Never better)  
And what day is today people? (The greatest day of my life, ah-ooh!) (Good)  
Ohh (Never better ooh)  
And what day is it?  
(Whoah greatest day, greatest day)  
See everyday I find that 4 leaf clover  
And everyday Lady Luck is at my door  
And all of the fear I fight is in remission  
To come around no more [Chorus: x 3]
