

Top Of The World (feat. DEV)

The Cataracs

Boy you know you get me high
Won't you take me on a ride
Tell me where you want to go
Tell me where you want to go It's The Cataracs Yo, it's that dancefloor, 808
She hit me like a 808
Have you all night, vodka straight
Bottles up, you and me Me and you, on a trip
All night flight, girl let's dip
Lickin' my lips, I'm in the zone
And I can't really say what I'm sippin' on
But you taste good to me
Girls, like you make history
Sure does sound like a hit to me
Now check out this beat Now, you got it
You got it goin' on, goin' on and on, and on, and on, and on
Now, you get me high
Now, you get me high Boy you know you get me high
Won't you take me on a ride
Tell me where you want to go
Tell me where you want to go I'm your Bonnie, you're my Clyde
I'll be your ride or die
Tell me where you want to go
Tell me where you want to go
T-t-t-to the top of the world
T-t-t-to the top of the world Your daddy must have been a drug dealer
(Why?)
'Cause you dope
You the Bonnie to my Clyde
Juliet and Romeo Your daddy must have been a drug dealer
(Why?)
I don't know, I'm just saying anything
To get me up inside your throat Is it workin'? I'm just playin'
Man, this bottle got me sayin'
I don't ever wanna lose, lose ya right now You got it
You got it goin' on, goin' on and on, and on, and on, and on
Now, you get me high
Now, you get me high Boy, you know you get me high
Won't you take me on a ride
Tell me where you want to go

Tell me where you want to go I'm your Bonnie, you're my Clyde
I'll be your ride or die
Tell me where you want to go
Tell me where you want to go T-t-t-to the top of the world Tell me where you want to go
Tell me where you want to go
Tell me where you want to go
Tell me where you want to go Where, you wanna, where you wanna go?
Where, you wanna, where you wanna go?
Where, you wanna, where you wanna go? T-t-t-to the top of the world
T-t-t-to the top of the world It's The Cataracs
