# Take Me In Your Arms (Johnny Budz Mixshow Edit)

## Lil Suzy

You came and turned your look my way
What else can I say
Love was in my eyes
You came and made my life complete
With your love so sweet
You gave your love to meTake me, take me in your arms
And don't you let me go
I need you more and moreTake me, take me in your arms
And don't you let me go
I need you more and moreYour love is all I ever need
You're my destiny
This love was meant to be
We'll find a paradise for two
A place for me and you
We'll make our dreams come trueTake me, take me in your arms
And don't you let me go
I need you more and moreTake me, take me in your arms
And don't you let me go
I need you more and moreTake me, take me in your arms
And don't you let me go
I need you more and moreTake me, take me in your arms
And don't you let me go
I need you more and moreTake me, take me in your arms
And don't you let me go
I need you more and moreTake me, take me in your arms
And don't you let me go
I need you more and more
