Love Me Like You Mean It

Percy Sledge

oh hey, boy with your hat back
umm i kindda like that
if you wanna walk my way
i'mma shoot you straight up
show me what you made ofi don't have time to waste on the boys
that are playing the games
and leaving the girls crying out in the rain
so tell me baby,
do you got what it takes?If you're gonna hold me hold me like I'm leaving
If you're gonna kiss me kiss me like you need it
Baby, if you're not you best get to leaving
If you're gonna love me love me like you mean it
If you're gonna talk the talk you better walk it
If you wanna keep me keep me like you lost it
If you're gonna say it and make me believe it
If you're gonna love me boy love me like you mean itI've had my share of losers, liars and users
Looking for a heart to break
So if you're like that
Well take a step back'Cause I don't have time to waste on the boys
That are playing the game
And leaving the girls crying out in the rain
So tell me, baby
Are you just crazy or crazy over meIf you're gonna hold me hold me like I'm leaving
If you're gonna kiss me kiss me like you need it
Baby, if you're not you best get to leaving
If you're gonna love me love me like you mean it
If you're gonna talk the talk you better walk it
If you're gonna keep me keep me like you lost it
If you're gonna say it and make me believe it
If you're gonna love me love me like you mean itIf you're gonna hold me hold me like I'm leaving
If you're gonna kiss me kiss me like you need it
Baby, if you're not you best get to leaving
If you're gonna love me love me love meIf you're gonna talk the talk you better walk it
If you're gonna keep me keep me like you lost it
If you're say it and make me believe it
If you're gonna love me love me like you mean itLove me like you mean it
Love me like you mean it
