

# Need

## At the Gates

Because of my love for all living things

I choose to die

Open me, with your kiss of steel

End my pain, set me freeFor we are enslaved, forever enslavedOpen me, with your kiss of steel

End my pain, set me free

Live only to die some more

Need, killing yourself to liveFor we are enslaved, forever enslavedLay your fears to rest, let your dreams awake

For we are enslaved, forever enslaved

Lay your hate to rest, open me
