

# Live or Die (Hold Me Like a Child)

Bee Gees

Take one breath, one fundamental sign of life.  
Don't look back, don't analyze the tears you cry. Only the strong survive the silent sacrifice,  
And I, I will be your heart of steel but power has a price.  
Ain't it time that you believe in someone,  
Ain't it wrong to let the years go by  
Standing face to face forever live or die. Hold me like a child, I'm not alive until you do,  
What you hold in your hand is a miracle  
And it's dead if I don't have you. Hold me like a child, and swear you never let me go.  
You're the eye of the storm, the reason I laugh or cry,  
Live or die, I will stay with you. Take one breath, one fundamental sign of life.  
No bad blood, no pain can make you draw the knife. Ah, We got a world of trouble but I will never change,  
And even if we fall tomorrow, we will rise again.  
Now is the time we show each other, these are the words I kept inside  
Standing face to face forever live or die. Hold me like a child, I'm not alive until you do.  
What you hold in your hand is a miracle  
And it's dead if I don't have you. Hold me like a child and swear you never let me go.  
You're the eye of the storm, the reason I laugh or cry,  
Live or die, I will stay with you,  
Live or die, I will stay with you. Take one breath, one fundamental sign of life.  
Don't look back, we love each other live or die. Hold me like a child, I'm not alive until you do.  
Live or die, I will stay with you. Take one breath, one fundamental sign of life.  
Don't look back, we love each other live or die. Hold me like a child.  
Take one breath, one fundamental sign of life.  
Don't look back, we love each other live or die. Hold me like a child.  
Take one breath, one fundamental sign of life.  
Don't look back, we love each other live or die. Hold me like a child.  
Take one breath, one fundamental sign of life.  
Don't look back, we love each other live or die
