

No Air (Jason Nevins Remix)

Jordin Sparks

Tell me how Im supposed to breath with no air
oohooh.....

If I should die before I wake,
its cause you took my breath away
loosing you is like living in the world with no air
Ooh..

Im here alone
didnt want to leave
My heart wont move its incomplete
wish there was a way that I could make you understand

(Chorus)
But how do you expect me
to live alone with just me
cause my world revolves around you its so
hard for me to breath
Tell me how Im suppose to breath with no air
cant live cant breath with no air
its how I feel when I know you aint there
theres no air no air...
Got me out here in the water so deep
tell me how you gonna breath with out me
if you aint here
I just cant breath theres no air no air....

no air air
ooh
no air air
noo
no air air
oohah..

I walk I ran I jump I flew
rite off the ground to float to you
there no gravity to hold me down for real

But somehow Im still alive inside
you took my breath but I survived

I dont know how but I dont even care....

(Chorus)

Oohh...

Baby

Ohahoooh..

Ae

no air..

ohh....

(Chorus) x2

Ohhh.

No air..

No Air..
