Follow Me

Martin 101

Hey I'm talking to you,
I'm bored with the masses.
You just wasted my time-
now gimme that what I wanted.
I follow a ride,
down the unusual side.
All drawn to TV.
I've forgotten reality.

Just say what you want,
Kick the shit out of cunts.
Stay fierce for it all-
have your say,
do it all!

Wanting this or the other-
Flying fists don't bother!
Try it all, just stay cool I'm trying you!
I'm trying you!

Chorus:
So many options leading all to seduction.
Yeah you know what I mean!
Say 'Hello' - Follow Me!
(repeat)

Hey I'm talking to you.
I'm bored with the masses,
you just wasted my time
now gimme that what I wanted.
I follow a ride,
down the unusual side.
All drawn to TV,
I've forgotten reality.

(chorus)
(repeat)
