

# Oh I

## Debra Killings

Lead:

Never wanna be someone I know  
I can not be. In bondage to no  
one thought what I think you  
think of me. Too old,too young,  
too short what you say it don't  
move me none. Cause I know his  
perfect will. For me it shall  
be done

Chorus:

Oh I

I'm gonna think what I say  
and I'm gonna be this way till  
Jesus comes back for me

Oh I

I'm gonna praise him for making me  
This way till eternity

Yes I am,yes I am

Lead:

First you love him then you don't  
Tell me whatever could of happen  
to commitment. Love and trust  
go out the door just when you  
think you made it child  
You ain't got nothing if you  
ain't got Jesus on your side  
He before you ain't nothing gonna  
happen to you

(Chorus Repeat)Bridge/Elevate:

Oh yeah hey oh oh

Oooh comes back for me

Oh yeah yeah hey hey

Oooh..Yeah oh oh oh

(Chorus Repeat 2x)
