

# Too Much of Today

## Tuesday

So now you've gone and stole my heart  
Well all my friends are wondering  
What's happened to me  
But I'm sure they'll understand  
When they see your eyes look up at me  
There's something about the way you looked at me  
When you said you had to go away  
I knew in my heart that everything was going to be ok  
And I don't think of anyone  
Anyone but you, when you're not around  
It's 4 am but I'm not sleepy  
My mind keeps running back to you  
Well I just left you and I already miss you  
Do I keep you up to  
I just can't stop thinking about all those times we waste away  
Cause I never felt so good as I did when I left your house that day  
And now there's so much that get's in our way  
And I just want you know, that I still love you just the same  
And I don't think of anyone  
Anyone but you, when you're not around  
It's 4 am but I'm not sleepy  
My mind keeps running back to you  
Well I just left you and I already miss you  
Do I keep you up to  
Do I keep you up to  
(Do I keep you up to)  
Do I keep you up to  
(Do I keep you up to)  
Do I keep you  
Do I keep you up to
