No Respect

RKL

I got No Respect for no fucking flag
I won't accept nothing from them
I got No Respect for no fucking flag
I won't accept nothing from them
I won't die for a Capitolist lie...
Or some rag they call our flag
Fuck Betsy Ross and the soldiers lost
What do we stand for?
Peace, money or war?
Fuck Betsy Ross and the soldiers lost
What do we stand for?
Peace, money or war?
I won't die for a Capitolist lie...
Or some rag they call our flag
No, I won't die,
For a Capitolist lie.
And I won't die,
For any rag,
Any rag they call our fucking flag!
I won't die for a Capitolist lie...
Or some rag they call our flag.
