

Light of Love

The Statesmen Quartet

La la la la La la la la
La the light of love *

Oh light of love
Won't you shine on me
Won't you shine on me,
Light of love

Oh won't you burn,
Won't you burn it for me
Won't you burn it for me,
The light of love

The light of love
It won't shine
It won't shine for me, yeah **

*Repeat
Oh the light of love,
Won't you let it shine,
Won't you let it shine,
The light of love

Oh the fire of love,
Won't you let it burn,
Won't you let it burn,
The light of love ***

Repeat *Repeat *Repeat
Oh light of love,
Won't you shine for me,
Won't you shine for me,
The light of love
