" What A Way To Flair" It seems You're always down on me, It seems You're always down on me, You seem to be always down on me , Why me, Why me ,why me, why me....It seems You're always down on me , It seems You're always down on me, You seem to be always down on me, Why me , Why me , Why me,Why me .... It seems You're always down on me, It seems You're always down on me, You seem to be always down on me , Why me , Why me, Why me, Why me?.... You think you know what you know ,You Don't know what you know, You think you know what you know,You don't know what you know, You think you know what you know, You don't know what you know,You think you know what you know, You Just Don't Know What You Know , No , No, No.... So check yourself, Before you wreck yourself , Check yourself,..Before , You Train wreck yourself ....It seems You're always down on me,It seems You're always down on me, You seem to always down on me , Why me,Why me, Why me, Why me?..
