

Best Things In Life (LP Version)

Lynyrd Skynyrd

I've got a sayin' in my life that's got me by so far
Well it may not be right but, nobody's gonna tell me I'm wrong
The first mistake is leave it up to somebody else
If you want somethin' done you got to do it yourself
I'll do it myself before somebody makes a fool out of me[Chorus]
'cause nothin' comes easy for a man like me
Everybody thinks the best things in life are free
If they would open their eyes it'd be so plain to see
That the best things in life don't come so easily I met a man who thought just a little bit different from me
He said you got it so easy but I just had to disagree
It would have been alright but he pushed me too far
If your lookin' for trouble step outside of this bar
If it comes down to fistin', mister that ain't nothin' new to me[Chorus]
