

Let The Rain Come Down

[Toni Childs](#)

I'd never change a single thing I've done
I'll pack my bags and say I'm on my way back now
Just keep the trains long, long, loves distance far from me
I'm on my way
I'm on my way
I'm on my way back homeLet the rain come down
Let the rain come down
Come down on me
Come down
Let it come downHow could I hold you in so close
And how could I not let anybody know
How sweet it is to call your name
If you loved me once
Would it be the sameThe smell of love
Is fresh inside my heart
And not all the things we've learned
To tear us both apart
What I feel now tells me I must go
I'm not who you love anymore
