Here I am, licking my wounds once again

Why am I, trapped in a replay of yesterday

The imprints of you will all be burned

And I cross my heart in hope you'll never return I love myself for hating you...

And I can't remember what meant so much to me? IF YOU GAVE ME THE POWER TO TURN BACK TIME

TO SAVE MY CORRUPTED HEART

I WOULD SHAPE IT THE WAY IT WAS MEANT TO BE

I WOULD NEVER KNOW YOU AND YOU WOULD NEVER KNOW ME I'll forever be what I am...

A freelancer, never be duped by your scam

Have fun extracting any love from my heart

And Godspeed passenger, on my train of pain which will soon depart
