

Holler At Ya Boy

Attila

Save your breath for the better things.
Tell it to someone who cares.
I Didn't pay money to hear you complain.
I just came to get my buzz on.

I Just wanna party all night.
So who will join me at the nearest bar?
I Don't believe any lyrics people seem to write these days.
They're singing Just to make that paycheck.

Their cause is fake. their cause is fake.
Their cause is fake I don't believe it.
So grab a blunt and come on.
Yeah

Yeah yeah I didn't say I wanna party for nothing.
So where the party at?
Holer at ya boy!
It's just another day in the life.

I never question Where I've been or where I came from.
I just came to get down.
Sipping a Cup of crown with two blunts in my back pocket.
Yeah. so come with me.

Did you know good times is my middle name?
So lets spark a blunt and Get a round of shots.
Now you can see that we get down.
That's what's up.

Were are caught up in a world of sin.
So will you sink.
Or will you Swim.
That is the question my friend.

This world is tough and it's a
Fight to the top I think were already there get up.
Or get out. you Will never make it here.
Holler at ya boy.

Let me see you move.
