

Come on in This House

Junior Wells

Now theres no need for you
Standin there cryin
Cause you know your cryin wont
Ease your mindAnd Im beggin you
Im beggin you
To come on in this house
Yea this ol house
And when youre here
Ill love you
Oh yea yea yea
I love you soAnd if I had a million dollars
Id give you every dime
Just to hear you call me daddy
One more timeAnd Im beggin you
Im beggin you
To come on in this house
Yea this ol house
And when youre here
Ill love you
oh yea yea yea
I love you soNow come back baby
Cuz Im to blame
I got a woman
You got yourself a manAnd Im beggin you
Im beggin you
To come on in this house
Yea this ol house
And when youre here
Ill love you
oh yea yea yea
I love you so
