

# This Is How I Feel

Glenn Hughes & Chad Smith

This is how I feel  
This moment  
This is how I feel  
Right now Don't know what will be tomorrow  
Take it all the way  
Take it all the way I'm on the ladder  
The sun is shinin'  
And nothin' stands in my way  
I say goodbye to the fear  
Goodbye to the fear And it don't matter, I need remindin'  
Come with me, don't be afraid  
And I know just why I'm here  
Know just why I'm here  
This is how I feel  
This moment  
This is how I feel  
Right now Don't know what will be tomorrow  
Take it all the way  
Take it all the way I'm on a wave in the clear blue water  
And there's no cloud in the sky  
And I know just what it is  
And I know just what it is  
Cuz I'll be safe  
And you know I oughta  
And I'm not livin' to die  
And you know I can't resist  
Know I can't resist This is how I feel  
And I know what I see  
There's so many things I want to be  
And I always wonder why  
Just what is meant to be  
And I only wanna say  
Just what I really feel This is how I feel  
This moment  
This is how I feel  
Right now Don't know what will be tomorrow  
Take it all the way  
Take it all the way  
Take it all the way
