

I Must Have That Man!

[Billie Holiday](#)

Don't want my manny, I don't need a friend
My heart is broken, it won't ever mend
I ain't much carin' just where I will end
I must have that man I'm like an oven that's cryin' for heat
He treats me awful each time that we meet
It's just unlawful how that boy can cheat
But I must have that man He's hot as Hades
A lady's not safe in his arms
When she's kissed But I'm afraid that he's cooled off
And maybe I'm ruled off his list
I'll never be missed
