Ooh Boy

Ellis Dee

Ooh
Woo, ho, oh, oh, oh, oh, yeah
Yeah
Woo, ho
Ooh, well, there's somethin' 'bout the way
I feel when you look at me
Ooh, boy, baby
Ooh, well, don't matter, come bother me
Come close so I can see
What's in store, yeah
Ooh, got what I want, I need
So unnecessary
Ooh, boy, ooh, yeah
Ooh, well, it's taken over me
When you make me feel that way
Ooh, boy, ooh
You've got my head spinnin' 'round
You've got my feet off the ground
You make my high come down
Boy, will you break it down for me?
You got me goin', don't you stop
From bottom up to the top
I've got to love a lot
Boy, will you break it down for me?
Ooh, my body starts to shake
And I shiver, earthquake
Ooh, boy, yeah
I said ooh, so sexy, so freaky
Straight up, so good, so sweet
Ooh, boy, ooh
I said ooh, the way you talk to me
It just knocks me off my feet
Ooh, boy, ooh, baby
I said ooh, it's taken over me
When you make me that way
Ooh, boy, ooh, baby
You've got my head spinnin' 'round
You've got my feet off the ground
You make my high come down

Boy, will you break it down for me?
You got me goin', don't you stop
From bottom up to the top
I've got to love a lot
Boy, will you break it down for me?
You've got my head spinnin' 'round
You've got my feet off the ground
You make my high come down
Boy, will you break it down for me?
You got me goin', don't you stop
From bottom up to the top
I've got to love a lot
Boy, will you break it down for me?
Ooh
Ooh, boy
Ooh
Ooh, boy
Ooh
Ooh, boy
Ooh
Ooh, boy
You've got my head spinnin' 'round
You've got my feet off the ground
You make my high come down
Boy, will you break it down for me?
You got me goin', don't you stop
From bottom up to the top
I've got to love a lot
Boy, will you break it down for me?
Ooh
