

# Day To Day

## The Ting Tings

When you wanna be with some one  
When you wanna play in the sun  
If you wanna share what you find  
When you got a lot in you mind  
You can see what you wanna see  
See what you want to say  
When you gotta be somewhere else  
If your gonna travel the world  
When you wanna send me a line  
When you gotta hide all the time  
You can do what you wanna do  
YeahCause everyday when mean it  
Respect it put it out neglect it  
Talking threw a face it tear it up  
Replace it  
Win some lose some find out we use some  
Bandels and have fun some of you  
and count on  
You can be my friend if we hadn't been in comin'  
Honesty trouble we assume to depend on  
You can be my friend if you wasn't such a fight  
Yes staying n love taking a dive  
You could've been a good friend to my  
Day To DayWhen you need some one to blame  
When you know they'll be there again  
In a world rest of for we  
I gotta find somebody to do what you wanna be  
So you took it out on some one  
Not to make can't be undone  
If you wanna turn up the light's  
Everything care for things right  
Feel what you wanna feelCause everyday when mean it  
Respect it put it out neglect it  
Talking threw a face it tear it up  
Replace it  
Win some lose some find out we use some  
Bandels and have fun some of you  
and count on  
You can be my friend if we hadn't been in comin'

Honesty trouble we assume to depend on  
You can be my friend if you wasn't such a fight  
Yes staying n love taking a dive  
Yyou could've been a good friend to my  
Day To DayYou keep calm  
You can't go if you fall  
You'll know  
How to feel  
Be for real  
Staying in love taking a dive  
You could've been a good friend to my  
Charles where you and Roland  
Here assume to depend on  
Honesty trouble we could've been a good friend to myDay to Day
