

# The Hurricane

JJ Grey & Mofro

Ain't no building tall enough  
Ain't no shelter safe enough  
when God, when he opens his mouth  
Ain't no wall that's thick enough  
Ain't no rocket goes high enough  
when God, when he opens his mouth  
I felt the wind blow in  
I felt the rain come down  
I felt the peace within  
That can never be without...ride on  
Ain't no levy strong enough  
Ain't no science that's smart enough  
when God, when he opens his mouth  
I felt the wind blow in  
I felt the rain come down  
I felt the peace within  
That can never be without...ride on  
Ride on, ride on, ride on
