The Remedy (I Won't Worry)

Jason Mraz

Well, I saw fireworks from the freeway

And behind closed eyes I cannot make them go away

'Cause you were born on the fourth of July, freedom ring

Now something on the surface it stingsI said something on the surface well it kind of makes me nervous

Who says that you deserve this and what kind of God would serve this?

We will cure this dirty old disease

Well if you gots the poison I gots the remedy The remedy is the experience

This is a dangerous liaison

I says the comedy is that it's serious

This is a strange enough new play on wordsI say the tragedy is how you're gonna spend

The rest of your nights with the light on

So shine the light on all of your friends

When it all amounts to nothing in the endI, I won't worry my life away

I, I won't worry my life awayWell, I heard two men talking on the radio

In a cross fire kind of new reality show

Uncovering the ways to plan the next big attack

They were counting down the ways to stab the brotherIn the be right back after this, the unavoidable kiss

Where the minty fresh death breath

Is sure to outlast this catastrophe, dance with me

'Cause if you gots the poison, I've gots the remedy The remedy is the experience

This is a dangerous liaison

I says the comedy is that it's serious

This is a strange enough new play on wordsI say the tragedy is how you're gonna spend

The rest of your nights with the light on

So shine the light on all of your friends

When it all amounts to nothing in the endI, I won't worry my life away

I, I won't worry my life awayWhen I fall in love I take my time

There's no need to hurry when I'm making up my mind

You can turn off the sun but I'm still gonna shine

And I'll tell you why, because The remedy is the experience

This is a dangerous liaison

I says the comedy is that it's serious

This is a strange enough new play on wordsI say the tragedy is how you're gonna spend

The rest of your nights with the light on

So shine the light on all of your friends

When it all amounts to nothing in the endI, I won't worry my life away

I, I won't worry my life away

I, I won't worry my life away

...

thank you
