

# Your Good Thing Is About To End

Lou Rawls

I don't have to beg you to hold me  
Cause somebody else will  
You don't have to love me when I want it  
Cause somebody else will  
Your so called friends say you don't need it  
When all the time they're trying to get it  
Look out  
Your good thing  
Is about to come to an end  
Your real good thing  
Is about to come to an end  
All those nights I watched the four walls  
I did not have to watch them all alone  
When other men said they wanted me  
I didn't have to tell them I was your very own  
You have all the love that I've got baby  
Even ice melts to water and gets hot  
Look out  
Your good thing  
Is about to come to an end  
Your real good thing  
Is about to end  
Gettin' myself back together  
Is gonna be a big problem I know  
But when the right man says he wants me  
You can bet I won't say no  
Cause your real good thing  
Is about to end  
Your real, your good thing  
Your good thing, baby  
Your good thing  
Is about to come to an end  
Yeah, yeah, yeah  
Your good thing  
Your good thing  
Your good thing, baby
