

Dump Dump Dump

Urge Overkill

I need a shot and a beer
You wanna buy me some
You know, I had to hit the bar today
Since I met the new woman, that's right
I need another like a hole in the head
I need a place to go
'Cause I'll be burnin' 'til I spin out bad
I just don't give a fuck, don't give a fuck anymore
It's all dump
Dump, dump, dump
It's all dump
Why'm I drivin' at 110
Down her highway home?
You know, I'd turn these wheels around
Just to be alone

There ain't no meat in the graveyard
There's only bad dresses and bones
You know, there ain't nothing in hot-blooded girl
If you can't smile when you take it on home
Have I landed in hell?
I don't what I'm sayin'
When you're full of your own dump
People walk away
It's all dump, dump
Nothing's gonna get me outta bed today
Nothin' but dump
It's all dump
