

Every Time You Go Away (Re-Recorded)

Paul Young

Hey!, if we can solve any problem
Then why do we lose so many tears
 Oh, and so you go again
 When the leading man appears
 Always the same thing

Can't you see, we've got everything goin' on and on and on
Every time you go away you take a piece of me with you

Every time you go away you take a piece of me with you
Go on and go free, yeah
 Maybe you're too close to see
 I can feel your body move
 It doesn't mean that much to me
 I can't go on sayin' the same thing

Just can't you see, we've got everything do you even know we know
Every time you go away you take a piece of me with you, oh

Every time you go away you take a piece of me with you
I can't go on sayin' the same thing
'Cause baby, can'tcha see, we've got everything goin' on and on and on
Every time you go away you take a piece of me with you

Every time you go away you take a piece of me with you
Looking at the pieces (Every time you go away)
 Be careful (You take a piece of me with you)
(Every time you go away) Every time you go, every time you go
 (You take a piece of me with you) You take a piece of me!
(Every time you go away you take a piece of me with you) Every time you go!
