

Kick

Bagga Bownz

Yeah
Come on
Come on
Come on
Come on I look around
Unsatisfied
At what they're giving me
Then I think
To myself
Is there someone else
Who feels the same as me?
Do you feel the same, baby? When my back is broken
When the mountain moves away
All the dreams and promises
That we give
We give away Sometimes you kick
Sometimes you get kicked
Sometimes you kick
Sometimes you get kicked, yeah Sometimes you kick
Sometimes you get kicked
Sometimes you kick
Sometimes you get kicked, baby Look ahead
But don't mix it up
Baby look ahead
To better days and better ways
Make peace with flesh and blood
Make peace with your love
Nothing more I could ask of you
But in the end this is the truth When my back is broken
When the mountain moves away
All the dreams and promises
That we give
We give away Sometimes you kick
Sometimes you get kicked
Sometimes you kick
Sometimes you get kicked Sometimes you kick
Sometimes you get kicked
Sometimes you kick
Sometimes you get kicked

Sometimes you kick
Sometimes you get kicked
