love to you

The Trypes

You were made for me, I was made for you,
Just one touch we stuck like glue.
Do do do do do do la love,
You where there for me, I was there for you,
Got stuck in a hole, and we dug are selves through.
We always do, we always do no no,
Are kind of love don't break or bend,
I hold you till the whole world ends, oh it ends.
Cause' you and I could be the best of friends, oh ohh
Yeah, you and I could be the best of friends,
Cause' no matter what I do my heart beats for two.
I always give my L-O-V-E-T-O-Y-O-U
Our hearts drum like pots and pans,
I'm lookin' up to your marching band.
When you hold my hand,
You hold my hand la love.
We stick together like cellophane,

Give me a straight jacket,
I'll love you insane.
oh I will, you know I will.
Cause' you and I could be the best of friends, oh ohh
Yeah, you and I could be the best of friends,
Cause' no matter what I do my heart beats for two.
I always give my L-O-V-E-T-O-Y-O-U
My L-O-V-E-T-O-Y-O-U
And when the world comes crashing down, (crashing down)
We'll dance at the speed of sound.
Oh, girl, there ain't nothing I won't do for you, oh
I hope you know.
That you and I could be the best of friend, oh (the best of friends)
Yeah, you and I could be the best of friends,
No matter what I do, my heart beats for two.
I always give my L-O-V-E-T-O-Y-O-U
My L-O-V-E-T-O-Y-O-U
My L-O-V-E-T-O-Y-O-U
