

Melanie Banks Where Can You Be?

Diesel Boy

Melanie Banks where can you be? /
Are you doing well? Is everything alright? /
I haven't seen you since our graduation day /
Remember our crazy night /
After senior prom /
And the years keep floating by /
And we got busted by your mom /
We were naked in your pool /
Melanie / Where can you be? /
Its been so long /
I wonder if you ever think about me /
I called your mother's house today /
Melanie Banks how have you been? /
But the message said that she had moved away /
Someone told me you're living in New York again /
I still laugh about the time /
And your headlights on /
You passed out in your car /
With Mother's Milk on ten /
Just 8 words in my yearbook /
8 words was all you wrote /
And you didn't sign your name /
Just your initials and your quote
